Dear Jim ~

On behalf of our Seniors at Mulberry PARC, we wish to thank you and The Vancouver Metropolitan Orchestra for providing a generous contribution of 15 tickets to the 'Beethoven' performance by the Vancouver Metropolitan Orchestra on Saturday, March 29th.

I learned from Ed, our bus driver, of the wonderful care our Seniors were given from start to finish by yourself and Kenna. Thank you for providing top notch seating for them to enjoy the evening in comfort and safety. The performance was uplifting and enjoyable and the extra attention put a smile in the hearts of our Seniors that lasted not only during the show but well after the performance was over.

Your generosity and hospitality is much appreciated and our Seniors will treasure this experience for a long time. We look forward to visiting you once again on September 7th and wait in anticipation of the excellent performance ahead.

Sincerely ~
